

Instrument Model Bugs: farf2d/fexpmap/fexpmap2d

Bugs

1. *The `fexpmap2d` command does not work under Mac OS X 10.4 on PowerPC or Intel.*

 (29 Jan 2007)

(Mac OS X)

Workaround:

To load an exposure map for use in image fitting, use the `gridmodel` model in its place:

```
gridmodel[thename](emap.fits,1)
source = <source expression> * thename
```

This is equivalent to the `fexpmap2d` syntax:

```
source = <source expression>
fexpmap2d[thename](emap.fits,1)
instrument = thename
```
